**Electronics Recycling: Additional Accepted Items and Not Accepted Items.
(not showing on the list from PC Survivors) Harvest Your Energy Festival, 10/15/2022.**

Accepted Items for Electronics Recycling @ the Harvest Your Energy Festival, 10/15/2022

All Batteries are accepted, including Alkaline Batteries.

Batteries must be kept separately, not mixed with other non-battery items, batteries can be in one bag/container mixed together.

Household Appliances or anything that is electric/plug-in and battery operated and Air Conditioners. Exceptions apply, see below.

All T.V.'s, LCD,s and CRT's; will be accepted at a recycling fee of \$15 each, payable in cash.

Not accepted for electronics recycling;

No major kitchen appliances. (dishwashers, ovens, refrigerators, etc.)

These can be picked up from your home for \$26. Please send a check and details on what you want recycled to DPW, City Hall, 85 George P. Hassett Drive, Medford 02155. You will receive a sticker to put on the item and information on how to make an appointment to have it picked up from your curb.

From Medford DPW website: <https://medfordma.org/2015/09/03/disposal-of-appliances-electronics-bulk-items/>

*This is a reminder that the **proper recycling of white goods, appliances and electronics** requires a disposal sticker. These are available for \$26 from the DPW Office, Room 304 at City Hall or send a check and details on what you want recycled to DPW, City Hall, 85 George P. Hassett Drive, Medford 02155.*
