

Medford's 2022 Harvest Your Energy Festival Exhibitor Application

The Medford Energy Committee welcomes you to participate in this year's Harvest Your Energy Festival on October 15th, 2022, from 12 PM - 3PM. The Harvest Your Energy Festival is a significant energy, environment, and sustainability education opportunity for the local community. The Festival is located behind the McGlynn School, beneath the Medford wind turbine in Riverbend Park; rain location inside the McGlynn School.

Companies and organizations interested in participating at the festival should fill out this form, enclose a check (if necessary) made payable to The City of Medford and submit it to Medford's Office of Energy and the Environment. If you have any questions, please contact the office at 781-393-2137 or enviro@medford-ma.gov
